

# Privacy policy of Voltis

## General and Mandatory Information

### Nomination of the responsible body

Responsible for data processing on this website is::

*Voltis GmbH & Co.KG*

*Findloser Weg 24*

*36115 Hilders*

*Tel.: +49 (0)6681 96749-100*

*E-Mail: [info@voltis.com](mailto:info@voltis.com)*

The controller alone or together with others decides on the purposes and means of processing personal data (e.g. names, contact data, etc.).

### Revocation of your consent to data processing

Some data processing procedures are only possible with your express consent. A revocation of your already given consent is possible at any time. An informal notification by e-mail is sufficient for the revocation. The legality of the data processing up to the revocation remains unaffected by the revocation.

### Right of appeal to the supervisory authority

As the person concerned, you have a right of appeal to the responsible supervisory authority in the event of a breach of data protection law. The responsible supervisory authority with regard to data protection issues is the Hessian State Data Protection Commissioner:

*Prof. Dr. Michael Ronellenfitsch*

*Gustav-Stresemann-Ring 1*

*65189 Wiesbaden*

*Telefon: 06 11/140 80*

*Telefax: 06 11/14 08-900*

*E-Mail: [poststelle@datenschutz.hessen.de](mailto:poststelle@datenschutz.hessen.de)*

## **Right of data transferability**

You have the right to have data handed over to yourself or to third parties which we process automatically on the basis of your consent or in fulfilment of a contract. It is provided in a machine-readable format. If you request the direct transfer of the data to another person responsible, this will only take place if it is technically feasible.

## **Right to information, correction, blocking, deletion**

You have the right to get information about your stored personal data, the origin of the data, its recipients and the purpose of data processing and, if necessary, a right to correction, blocking or deletion of this data at any time within the scope of the applicable legal provisions. In this regard and also for further questions on the subject of personal data, you can contact us at any time via the contact options listed in the imprint.

## **Contact Form**

Data transmitted via the contact form, including your contact data, will be stored in order to be able to process your enquiry or to be available for follow-up questions. This data will not be passed on without your consent.

The data entered in the contact form will be processed exclusively on the basis of your consent (Art. 6 para. 1 lit. a DSGVO). A revocation of your already given consent is possible at any time. An informal notification by e-mail is sufficient for the revocation. The legality of the data processing processes carried out up to the revocation remains unaffected by the revocation.

Data transmitted via the contact form will remain with us until you request deletion, revoke your consent to storage or until there is no longer any need for data storage. Mandatory statutory provisions - in particular retention periods - remain unaffected.

## **Newsletter-Data**

To send our newsletter we need an e-mail address from you. A verification of the given e-mail address is necessary and the receipt of the newsletter is to be consented. Additional data is not collected or is voluntary. The data will only be used for sending the newsletter.

The data provided during the newsletter registration will be processed exclusively on the basis of your consent (Art. 6 para. 1 lit. a DSGVO). A revocation of your already given consent is possible at any time. To cancel your subscription, simply send us an e-mail or unsubscribe via the "unsubscribe" link in the newsletter. The legality of the

data processing processes already carried out remains unaffected by the revocation.

Data entered to set up the subscription will be deleted in the event of cancellation. Should these data have been transmitted to us for other purposes and elsewhere, they will remain with us.

## **Google Analytics**

Our website uses functions of the web analysis service Google Analytics. The provider of the web analysis service is

Google Inc.  
1600 Amphitheatre Parkway  
Mountain View, CA 94043, USA.

Google Analytics uses "cookies." These are small text files that your web browser stores on your end device and enable an analysis of website usage. Information generated by cookies about your use of our website is transmitted to a Google server and stored there. Server location is usually the USA.

Google Analytics cookies are set on the basis of Art. 6 para. 1 lit. f DSGVO. As the operator of this website, we have a legitimate interest in analysing user behaviour in order to optimise our website and, where applicable, our advertising.

## ***IP-anonymizing***

We use Google Analytics in conjunction with IP anonymization. It ensures that Google shortens your IP address within member states of the European Union or in other signatory states to the Agreement on the European Economic Area prior to transmission to the USA. There may be exceptional cases in which Google transmits the full IP address to a server in the USA and shortens it there. On our behalf, Google will use this information to evaluate your use of the website, to create reports on website activity and to provide us with other services relating to website and Internet use. The IP address transmitted by Google Analytics is not merged with other Google data.

## ***Browser Plugin***

The setting of cookies by your web browser is preventable. However, some functions of our website may be restricted by this. You may also opt out of the collection of information about your use of the website, including your IP address and subsequent processing by Google. This is possible by downloading and installing the browser plugin accessible via the following link:

<https://tools.google.com/dlpage/gaoptout?hl=de> .

### ***Objection to data collection***

You can prevent Google Analytics from collecting your data by downloading and installing the browser plug-in available via the following link:

<https://tools.google.com/dlpage/gaoptout?hl=en> .

Details on the handling of user data at Google Analytics can be found in Google's data protection declaration:

<https://support.google.com/analytics/answer/6004245?hl=en> .

### ***Demographic features on Google Analytics***

Our website uses the "demographic features" function of Google Analytics. It can be used to create reports that contain information on the age, gender and interests of site visitors. This data comes from interest-related advertising by Google and from visitor data from third-party providers. It is not possible to assign the data to a specific person. You can deactivate this function at any time. You can do this through the ad settings in your Google Account or by generally prohibiting Google Analytics from collecting your information, as explained in the "Opt-out of data collection" section.
